

Nidderdale Charity Walk & Run

Organised by The Rotary Club of Harrogate
In partnership with
Local Charities

Event Overview

In 2022, we have been chosen as a charity partner by the Rotary for the Nidderdale Walk. We need at least 10 supporters and then we receive 50% back of the entry fee our supporters have paid.

There will be five routes - of approximately four, eight, fifteen, twenty two and twenty six miles. The routes all start from Pateley Bridge Scout Hall and head up Nidderdale towards, and for many beyond, Lofthouse

Registration to take part in the event can be made on line with payment via debit / credit card or via PayPal.

Anyone can take part, if you don't have a buddy or a unit to walk with there will be leaders doing the 8 mile route and you are welcome to join this group. Please just email Rebecca.batsford@outlook.com so we know to look out for you and can arrange to meet up.

The event will be open to **runners and walkers** who may complete whichever length route they wish. Numbers are not limited. Further information and a registration form can be found via the website: www.nidderdalewalk.com
